Numpy, Pandas, Scikit-learn

Problem Solving

English Language Skill

About

I have recently graduated in computer science. I have a strong enthusiasm for both research and programming. Strong technical and problem-solving skills have always driven me to strive for excellence in my work. I like to keep myself occupied with a variety of physical and mental activities to improve myself. My greatest interest in life is helping other people and organizations through the use of my technical knowledge.

Certificates

BSc in Computer Science
United International University 2018- 2022
CGPA: 3.80 out of 4.00

British Council Certified 2022
IELTS Band Score- 8.0

Papers & Projects

Survey paper on partial offloading (IEEE)

Comparison of various task offloading methods in cloud server and depict a clear understanding of those methods.
